Headteacher's News

Dear Parents

Where has all this rain come from?! What a wet start to the year. You will have noticed that the school field has flooded once again. This has prompted me to remind you about a decision made last time the flooding was particularly bad. If flood waters are coming across Corsham Road and into our carpark at drop off or pick up time, and the carpark becomes flooded, we will temporarily open the gates beside the church for pedestrian access to the school. This will avoid having to wade through flood waters as some of you had to last time. Let's hope we don't have to.

We wish Mrs Footner well as she leaves us next week to take on more hours in her other job at a Vets practice. We will miss her. Luckily for us, Mrs Goodyer's move has been delayed, so she will return to work at Shaw until the end of the summer covering Mrs Footner's role. It is interesting to note that several people who have moved on from Shaw over the years come back to visit and say they wish they had never left! I am also sorry to let you know that Mrs Damoglou has decided that she is unable to continue in her role after Easter for health reasons. We are interviewing for that role in the near future and will keep you posted.

Finally, I pass on a plea from some residents of Corsham Road who have contacted me. They are desperately concerned for the safety of our children due to inconsiderate parking across, or too close to their driveways, which makes it impossible for them to see up and down the road to pull out. It is your children who you put at risk by doing this. Please think before you park.

Regards

Simon White

Our Key Christian Value this term is;

TRUST. This is such a key value. The children need to know who they can trust, how they can decide who and what can be trusted and how to be a trustworthy friend to others. Our Assemblies explore this through many different stories, such as "The Boy Who Cried Wolf."
