

Because we are all on Mission Shaw, everyone at Shaw School will always;

- Be kind and helpful.
- Be courteous, respectful and honest.
- Try our best and never give up.
- Listen.
- Concentrate to the best of our ability.
- Take pride in our work.
- Look after our school equipment and environment.
- Walk calmly and quietly around the building keeping our hands to ourselves.

At Assembly Time this means:

- We walk to assembly in a tidy silent line.
- We come into assembly in a quiet and respectful way
- We sit silently, listening to the music when others are arriving.
- We listen and join in respectfully
- We leave assembly silently.

At Playtime this means:

- We follow the rules about where we are allowed to play.
- We put rubbish in the bin.
- We stop on the first whistle.
- We walk sensibly and promptly to the line on the second whistle.

At lunchtime this also means:

- We walk calmly and sensibly to our lunch lines
- We wait calmly and quietly when queueing.
- We sit where we are asked to.
- We sit when eating and don't leave the table.
- We use quiet talking voices.
- We ask before starting our pudding and before leaving the hall.
- We try hard not to drop food on the table or floor.
- We always use the "scrap on scrap" Playpod rule
- We all help to clear away the Playpod items

During wet playtimes:

- We use quiet voices.
- We only choose activities we are allowed to.
- We tidy up after ourselves.

If we break these rules we will first be reminded what we have done wrong and given the chance to say sorry and change our behaviour. If we continue, in class, our name will be moved down the behaviour board and time will be taken from playtime. At playtime, we will have time out on the bench. If we continue to break the rules, we will lose playtimes. Further poor behaviour will mean that our teacher contacts our parents. Further poor behaviour will mean being sent to Mr White and going on a behaviour report. If we are unable to follow the Shaw rules over a long period, we may be excluded from the school.
